

On left: Cut out the fire circle for the Camper Kid Dioramas described on page 6. Color the fire red and glue pebbles around the edge to form a fire circle. Cut out and fold the camper kids on page 14.

On right: To add marshmallow roast toothpicks to camper kids, stick the toothpicks through the front and tape to the very bottom of the back fold.

Camper Kid Dioramas

On right: Each team of four children can place their diorama in front of the Forest Habitat.
