

Fun Lesson Plans Theme Week

Cut Margin Off

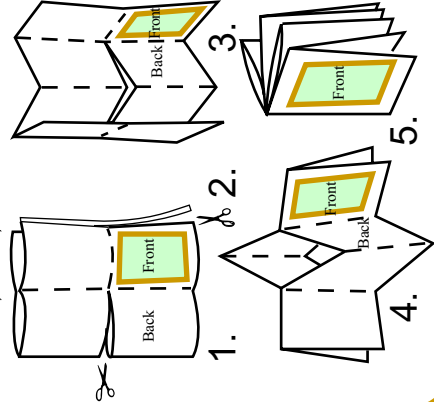

My name is _____

This is my book.
It shows many things
we learned during
**Camp Out
Theme Week.**

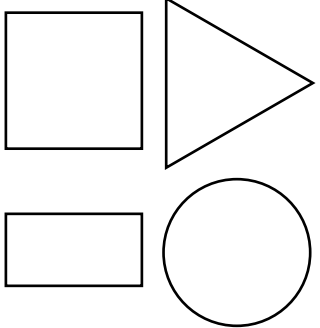

**PrintMe-FoldMe
Little Books**

We put paper over
cardboard shapes and
rubbed with a crayon.

we learned about
triangles, circles,
squares, and
rectangles.

We played games,
sang songs, and made
campfire kids.

We learned that
hiking and outdoor
exercise will make
our bodies strong.

Cut Margin Off

Mother Nature sent us a
postcard with Animal
Track Number Cards.

We put the cards in the
right order from
one to ten.

Teacher showed us a
Forest Habitat with small
plants and berries for
the animal's food.

We moved and
counted the shapes
in the forest.
